Full site report

Example research site

Shared documents, project records, and reference terms for the research team.

https://example.sharepoint.com/sites/research-example

Collected: October 15, 2026, 10:30 AM ET (14:30 UTC).

This report includes every section of the collected example data, including expanded technical details. Screen filters and unopened tabs do not restrict it. All data is synthetic.

Report contents

1. Site overview
2. Document libraries and folders
3. Lists and column definitions
4. Site permissions and people
5. Sharing links and app access
6. Taxonomy
7. Site pages
8. Cleanup findings
9. Completed person access check

Site overview

Site address	https://example.sharepoint.com/sites/research-example
Site ID	00000000-0000-4000-8000-000000000001
Document libraries	4
Lists	4
Site pages	3

Review guest and organization-wide access

Guests: 1 · Organization-wide groups: 0 · Links anyone can use: 1

Guest found: Example guest. Check the person's groups and permission levels to see where access applies.

Anyone with one of these links can open the shared file. Review the links separately from site membership.

Based on permissions this report could read. Individual item permissions and nested Microsoft 365 or security group membership are not included.

Document libraries

Documents

Shared project documents, working drafts, and approved materials.

Items	248
Last changed	September 28, 2026

Column definitions

Column	Type	Description
Title Internal name: Title Required	Text	A short, meaningful title. Column ID: 00000000-0000-4000-8000-000000001000 Default: None · Maximum length: 255 · Indexed: Yes
Project Internal name: Project	Managed metadata	The project this content belongs to. Column ID: 00000000-0000-4000-8000-000000001001 Default: None · Maximum length: Not set · Indexed: No
Review date Internal name: ReviewDate	Date	When this content should be reviewed. Column ID: 00000000-0000-4000-8000-000000001002 Default: None · Maximum length: Not set · Indexed: No
Document status Internal name: DocumentStatus Required	Choice	The current review stage. Column ID: 00000000-0000-4000-8000-000000001003 Default: Draft · Maximum length: Not set · Indexed: No Choices: Draft; In review; Approved
ID Internal name: ID Required	Counter	The unique item number. Column ID: 00000000-0000-4000-8000-000000001004 Default: None · Maximum length: Not set · Indexed: No

Column	Type	Description
Created Internal name: Created	DateTime	When the item was created. Column ID: 00000000-0000-4000-8000-000000001005 Default: None · Maximum length: Not set · Indexed: No
Modified Internal name: Modified	DateTime	When the item was last changed. Column ID: 00000000-0000-4000-8000-000000001006 Default: None · Maximum length: Not set · Indexed: No
Created by Internal name: Author	User	The person who created the item. Column ID: 00000000-0000-4000-8000-000000001007 Default: None · Maximum length: Not set · Indexed: No
Modified by Internal name: Editor	User	The person who last changed the item. Column ID: 00000000-0000-4000-8000-000000001008 Default: None · Maximum length: Not set · Indexed: No

Top-level folders

Folder	Items	Folder ID
Planning	28	00000000-0000-4000-8000-000000003000
Working documents	143	00000000-0000-4000-8000-000000003001
Approved materials	77	00000000-0000-4000-8000-000000003002

Permissions

Uses the site's permissions

People with access to the site also have access here, except when they have only Limited Access.

Person or group	Type	Permission level
Example owners	SharePoint group	Full Control
Example members	SharePoint group	Edit
Example visitors	SharePoint group	Read

Permissions on individual files, folders, and items are not included in this table.

Technical details

Site address	https://example.sharepoint.com/sites/research-example

Site permissions and people

Person or group	Type	Permission level
Example owners	SharePoint group	Full Control
Example members	SharePoint group	Edit
Example visitors	SharePoint group	Read
Example guest	Guest	Limited Access

Limited Access allows access only to the shared item. It does not grant access to the whole site.

SharePoint group members

Group	Member	Permission level
Example owners	Example owner	Full Control
Example members	Example researcher	Edit
Example members	Example coordinator	Edit
Example visitors	Example reader	Read
Example reviewers	Example reviewer	Read
Example reviewers	Example guest	Read

Site collection administrators

Example administrator has Full Control throughout the site collection.

Permission levels

Full Control

Permission level ID	1000
Description	Full Control in this synthetic example
Permission values (High)	Not supplied in this example
Permission values (Low)	Not supplied in this example
Permissions	Raw permission flags are not supplied in this synthetic fixture.
Hidden	No
Built into SharePoint	Yes
Used on this site	Yes

Edit

Permission level ID	1001
Description	Edit in this synthetic example
Permission values (High)	Not supplied in this example
Permission values (Low)	Not supplied in this example
Permissions	Raw permission flags are not supplied in this synthetic fixture.
Hidden	No
Built into SharePoint	Yes
Used on this site	Yes

Read

Permission level ID	1002
Description	Read in this synthetic example
Permission values (High)	Not supplied in this example
Permission values (Low)	Not supplied in this example
Permissions	Raw permission flags are not supplied in this synthetic fixture.
Hidden	No
Built into SharePoint	Yes
Used on this site	Yes

Limited Access

Permission level ID	1003
Description	Only the shared item
Permission values (High)	Not supplied in this example
Permission values (Low)	Not supplied in this example
Permissions	Raw permission flags are not supplied in this synthetic fixture.
Hidden	No
Built into SharePoint	Yes
Used on this site	Yes

Administrator details

Name	ID	Sign-in name	Email	Notes
Example administrator	500	i:0#.f|membership|administrator@example.org	administrator@example.org	Full control throughout the site collection.

Access by person or group

▼ Example owners

Member	Email	Guest
Example reviewer	example-reviewer@example.org	No
Example guest	example-guest@example.org	Yes

Permissions on individual items and the members of Microsoft 365 and security groups are not included.

Sharing links and app access

File	Location	Link audience	Access
Project overview.pdf	Documents / Approved materials	Anyone with the link	View
Team guide.docx	Project resources / Guides	People in your organization	View
Review notes.docx	Meeting notes	Specific people	Edit

Apps with SharePoint access

App	Permission level	Scope
Example reporting app	Read	This site

Apps granted access through Microsoft Entra ID, including Sites.Selected, are not included.

Taxonomy

Research terms / Projects

Group description: Shared terms for research projects and their stages.

Shared project names used across libraries.

Term	Description	Parent term	Term ID
Example project A	Materials for the first example project.	None	00000000-0000-4000-8000-000000004000
Example project B	Materials for the second example project.	None	00000000-0000-4000-8000-000000004001

Term set ID: 00000000-0000-4000-8000-000000000101 · Group ID: 00000000-0000-4000-8000-000000005000

Research terms / Project stage

Group description: Shared terms for research projects and their stages.

Stages used to describe project progress.

Term	Description	Parent term	Term ID
Planning	The project is being prepared.	None	00000000-0000-4000-8000-000000004100
Active	Project work is underway.	None	00000000-0000-4000-8000-000000004101
Complete	Project work has ended.	None	00000000-0000-4000-8000-000000004102

Term set ID: 00000000-0000-4000-8000-000000000102 · Group ID: 00000000-0000-4000-8000-000000005000

Site terms / Topics

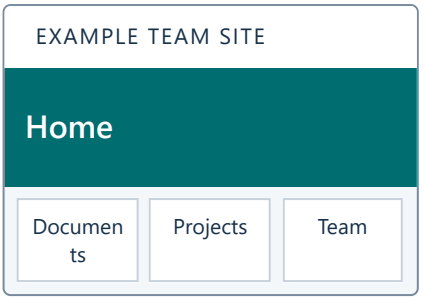

Group description: Terms maintained for this site's reference materials.

Topics used to organize reference material.

Term	Description	Parent term	Term ID
Methods	Guidance on research methods.	None	00000000-0000-4000-8000-000000004200
Surveys	Guidance on survey methods.	Methods	00000000-0000-4000-8000-000000004201
Operations	Everyday team procedures.	None	00000000-0000-4000-8000-000000004202

Term set ID: 00000000-0000-4000-8000-000000000103 · Group ID: 00000000-0000-4000-8000-000000005001

Site pages

Name and address	Page file and last changed	Description and thumbnail
Home https://example.sharepoint.com/sites/research-example/SitePages/Home.aspx	Home.aspx 2026-09-28	The starting page for the team.  Page thumbnail · Synthetic example. A thumbnail may show the page's chosen image rather than its full layout.
Project guidance https://example.sharepoint.com/sites/research-example/SitePages/Project-guidance.aspx	Project-guidance.aspx 2026-09-28	Instructions and reference links. **No page thumbnail available** No thumbnail is included for this page.
Team resources https://example.sharepoint.com/sites/research-example/SitePages/Team-resources.aspx	Team-resources.aspx 2026-09-28	Frequently used team materials. **Page thumbnail could not be loaded** No thumbnail is included for this page.

What this report could check

Area	Result
Lists, libraries, columns, taxonomy, and pages	Collected for this synthetic example
Site permissions, guests, groups, sharing links, and SharePoint apps	Collected for this synthetic example
Individual item permissions and nested Microsoft 365 or security group members	Not included
Apps granted access through Microsoft Entra ID	Not included

Collected October 15, 2026, at 14:30 UTC. These findings do not establish that a site is secure.

Cleanup findings

Previous project tracker has not changed since June 12, 2024. Review its purpose and retention requirements before making changes.

Previous project tracker has no description.

Libraries with version history turned off (1)

People cannot restore an earlier file version.

Name	Version history
Meeting notes	Off

Version history with no limit (1)

Keeping every version can increase storage use.

Name	Version history
Archive	On, with no limit

Largest lists and libraries

Name	Items
Documents	248
Archive	114
Project resources	86
Team tasks	63
Equipment register	42

Completed person access check

Synthetic access check for Example reader

Location	Permission level
Site	Read
Documents	Read
Project resources	No access
Meeting notes	No access
Archive	Read
Equipment register	Read
Project directory	No access
Team tasks	Read
Previous project tracker	Read
